Tasuku, I didn't get enough meat. Gimme more.
They've been scouted from all over the region.
Because they are so exceptional, they live in this house instead of the dormitory.
AH!
I CAN POUR THE MISO!
I'm not actually even a sports student.
I'm just forced to look after them all the time.
I'm polite to them because I'm still Koshiba's Senpai.

This guy has an even bigger ego than Seuchi senpai.

My mother said "I didn't get married to look after other peoples' children"
and then she left.
YOU'RE ABSOLUTELY USELESS.
Four years ago ...

Our school is divided into two courses: the General Course, and the Sports Course. Traditionally, the two do not get along at all.
General Course

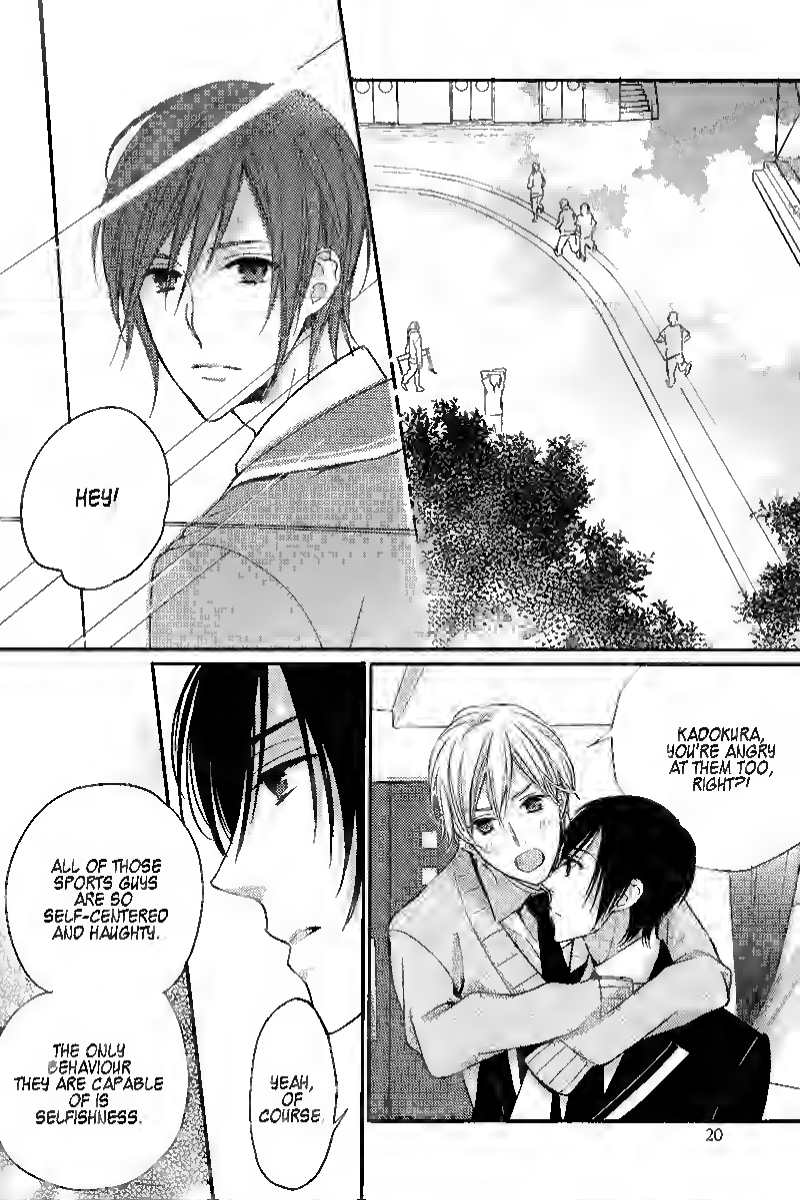
Asking the Sports Dept. head to attend is more like a completely unreasonable demand.
The Student Council always meets with all the dept. heads, except for the Sports Dept. head.



HEY!
KADOKURA, YOU'RE ANGRY AT THEM TOO, RIGHT?!
ALL OF THOSE SPORTS GUYS ARE SO SELF-CENTERED AND HAUGHTY.
YEAH, OF COURSE
THE ONLY BEHAVIOUR THEY ARE CAPABLE OF IS SELFISHNESS.
